

Banff Area Ski Information

If your trip to Banff must include skiing, you're more than welcome to make your own way to one of Big 3 ski resorts in the area (Mount Norquay, Sunshine Village, or Lake Louise). Please find information below on lift ticket pricing and travel options.

Shuttle transportation to each of the Big 3 ski resorts is free provided you have a lift ticket in advance. To purchase a lift ticket in advance each of the resorts provides an on-line option. Discounted tickets can also be found at some Costco, CAA locations and on-line at, <https://www.skibig3.com/lift-tickets/>. Click the link under each resort for their shuttle timetable*. The closest shuttle pick-up point to our hotel is the Town parking lot behind the Mount Royal Hotel.
